

Headteacher:

Dr R P Petrie BSc PhD

Dear Year 11 Student

Given the restrictions that are currently in place, it is difficult for us to be able to communicate with you and your families in the way that we usually would.

Thank you for taking the time to consider Cockermouth School's Sixth Form. We have always welcomed students into Year 12 from outside of our school community and by choosing to join us at this stage, you can be assured of a warm welcome and any additional support that you may need in order to make this a successful next step.

We are determined to provide all Year 11 students with the information that they require, ahead of the decision that you will need to make about your next destination from September 2021. We will be adding information to our website in the coming weeks and we would ask you to keep checking there and the school's social media for updates.

In these challenging circumstances we are keen that no student or family remains unsure or with questions that they would like answered and therefore we would be grateful if you could complete the following questionnaire and return it to us.

Kind regards

Mr I G Routledge
Director of Transition

Mr D Murray
Director of Sixth Form

Student Name	
Current School
