**Headteacher:**  
Dr R P Petrie BSc PhD

Dear Year 11 Student

Given the restrictions that are currently in place it is difficult for us to be able to communicate with you and your families in the way that we usually would.

As a student at Cockermouth School, it is exceptionally important to us that you are supported through the next few months. We are determined to provide all Year 11 students with the information that they require, ahead of the decision that you will need to make about your next destination from September 2021. We will be adding information to our website in the coming weeks and we would ask you to keep checking there and the school's social media for updates.

In these challenging circumstances we are keen that no student or family remains unsure or with questions that they would like answered and therefore we would be grateful if you could complete the following questionnaire and return it to us.

Kind regards

**Mr I G Routledge**  
Director of Transition
