

Teachers of Health and Social Care

(part time/job share considered) (Maternity cover)

Cockermouth School Academy is a high performing, truly comprehensive school located in a beautiful part of the country on the edge of the Lake District National Park and at the heart of its community.

From November 2018 we require enthusiastic and well qualified teachers of Health and Social Care to work in this successful department. Cockermouth School is a popular and oversubscribed 11-18 school with a Health and Social Care department that consistently achieves results well above the national average. Increasing numbers are choosing to study this subject at both KS4 and Post 16.

We require someone who will inspire students with enthusiastic teaching and challenge all to achieve their potential.

Cockermouth School is committed to safeguarding and promoting the welfare and well-being of students, engages with young people and staff on policy and practice developments, proactively encourages feedback and expects all staff and volunteers to share this commitment.

Cockermouth School is a Safeguarding School. The successful applicant will be subject to appropriate checks and undertake an enhanced DBS and where appropriate to the post, a requirement to complete a Childcare Disqualification declaration.

Details and application form are available at www.cockermouthschool.org
