

TEACHER OF MATHS

Full Time. Temporary for 2 terms.

From January 2022 we are seeking to appoint a temporary **Teacher of Maths** to join this oversubscribed 11-18 school. This is a strong department, achieving results of over 70% grades 9 – 5 and over 30% grades 9-7 in 2019.

The Maths Department at Cockermouth School is a high-performing department, achieving a progress score of 0.7 in the 2019 accountability measures. Every year we attract large numbers of students to A level Maths and Further Maths. We don't do 'sticking plasters'. We are an evidence-informed team and will be attractive to teachers who are dedicated to continual improvement of their own practice and also keen to work as a team to embed learning over time for all of our students.

We are looking for strong candidates who are looking to share their experiences and also develop their practice further.

Cockermouth School is a Safeguarding School. The successful applicant will be subject to appropriate checks and undertake an enhanced DBS.

Applicants will be considered on the basis of suitability regardless of sex, race, marital status or disability. Disabled applicants who meet the essential criteria will be interviewed.

Details and application form are available from: www.cockermouthschool.org
